- Note (1) – Tolls, parking and ferry charges are billed at actual cost. Relief driver charge to meet Federal hours of service requirements are at \$.42 per mile.
- Note (2) - Cancellation charges as follows: Any charter cancelled once the driver has arrived at the Lamer's terminal is subject to a \$50 cancel fee. If the driver has departed lamer's terminal the charge will be \$50 plus mileage.
- Note (3) - The 24 or less and 36 deluxe passenger mini-coach have a \$11.00 per hour charge on one (1) day trips or a \$145.00 per day charge for overnight trip to cover driver's wages on mileage charges.
- Note (4) - The overnight layover charge is \$25.00, based on UW Oshkosh providing driver's room. If Lamers covers driver's hotel room the cost would be \$90 per night.
- Note (5) – The 56 passengers and 48 passengers are deluxe units with extra storage capacity if needed
- Note (6) – The 36 passenger minicoaches and larger would all be equipped with a restroom.
- Note (7) - We have 10 motorcoaches equipped with a wheelchair lift, subject to availability. Wheelchair accessible coaches are available in a 47, 55, and 56 passenger size. There is no additional charge for these vehicles. These vehicles would be billed according to their size.  
Some seats are lost for each wheelchair fastened in the coach. The coaches will hold a maximum of 2 wheelchairs.
- Note (8) – All units are equipped with cellular phones with a direct line to the main office and two-way radios with a private frequency.
- Note (9) - Since the per mile and per hour charge is based on school to school the deadhead rate is seldom if ever used.
- Note (10) - The 36 passenger and larger vehicles would all be equipped with a DVD player. In addition we do have some vehicles which have a VCR and a DVD player.
- Note (11) - WIFI is available upon request. The cost is \$10 per day for this additional service.
- Note (12) - The 3 hours or less Minimum charge column is the minimum charge for each size coach. Example: 47 passenger coach minimum charge would be \$180.
- Note (13) - The cost is the greater of the two calculations. You are charged for either mileage or time whichever is greater—not both.
